Dear Jill,

After I heard from you I decided to go back through all my Allen data and found I had a couple of deeds that I had completely forgotten about. These pertain to Samuel and Richard. They don't give us a relationship between these two men but there evidently was. On the census records Richard is the older of the two. He could have been Samuel's father or brother.

In going through all these records I still can't make a connection between our Allens. I feel if they were related our John would have used the names of Samuel or Richard but he didn't. With all of them living so close together it would seem there was a relationship somewhere. I wish we could find them on a passenger list. I'll check some of those sources again at the library. There was a Richard Allen who was naturalized in Philadelphia in 1773 but he appears to be too old for the one who came to West Virginia.

Enclosed is some Palmer material that pertains to your line. I didn't know whether you had this or not. James Coen who was the f/o Tabitha Coen Palmer was a brother to William Coen who married my 2nd great grandmother, Rebecca Goddard Allen Coen. Rebecca was William's 4th wife and William was Rebecca 2nd husband. I have a little more on this Coen line if you would like it.

There is one thing that does puzzle me on your Allen line. Did Samuel and Ellen name two daughters Margaret? I found a Margaret living with them in 1850. Was she a granddaughter, niece? The other Margaret was married by 1850 and is shown on the census with Joshua Allman. On the 1830 census this Margaret does not show up in the household of Samuel. Census records show she was born c1811. This would have made her about 19 in 1830. There is a daughter in Richard's household of this age, however. I need to get a read-out of the 1820 census. I'll do that the next time at the library.

Did you have the marriage date for Elijah Allman and Mary Jane Wetzell? They were married 19 May 1872 in Marshall Co. WV. I also found another marriage for Joshua Allman, age 51 b.PA to Mary Ann Hall, age 33. They were married 7 January 1872 in Wetzell Co. Was Margaret dead by then?

Jill, I'll send this for now. I'm not sure just what you need but I can certainly abstract much more for you and will be happy to. I'll continue to work on these families. I did check the cemetery books I have for Wetzell and Marshall but did not find Samuel or Richard. Some of the other children are in them, however. Do you have any of this information?

I must close for now. Until later -

Sincerely,

Shirley

WILLIAM & PENELOPE PALMER

She is the granddaughter of William and Bertha Palmer and daughter of Mildred Palmer. Her father will relate the history of how and when this family of four boys and five girls

lived their life together, Bill and Bertha lost three daughters: Ople, Audry, and Louise. With the coming of spring of 1919, a fire destroyed the large ten room Palmer "home place" which grandfather received as his inheritance. In 1920, grandfather rebuilt on the "home place". Again in 1926, infantile paralysis struck their four year old son. During the flu epidemic, seven members of the family, including grandfather, were violently ill, four with pneumonia. In 1929, broken in spirit, William and Bertha Palmer were forced to leave their home on Palmer Ridge, Proctor, West Virginia. It was but a short while, in 1935, that Grandfather Palmer died. The story as told to me by my grandmother and mother was that the funeral was one of the largest that Lutes Funeral Home had ever encountered.

William Palmer never did anything outstanding, but his roots run deep in Proctor and there to this day is the Palmer Cemetery that he and Grandmother Palmer willed, that anyone may (by permission of the trustees) have a burial plot there, free of charge.

In August 1931, a Palmer reunion was held and the history read was the following manuscript:

"Early in the spring about the year 1839, George Palmer and Penelope Palmer, his wife, loaded their few belongings into a covered wagon from Baltimore, Maryland, crossed the Cumberland Mountains into West Virginia (at that time Virginia). The outfit consisted of a wagon, two horses, and a cow. Being at that time an almost unbroken wilderness, it was necessary to hew their road through the woods, encountering many hardships on their journey. They arrived at their destination, on the waters of Proctor Creek.

Having but little money, about \$300.00 or a little more in cash, George Palmer purchased six hundred acres of timberland. After erecting a crude log cabin the same spring, they proceeded to clear a few acres of forest which was planted in corn. The next spring a more suitable dwelling was built, which consisted of a three room hewed log house. This building was to be their home and was afterward known as the old homestead.

George and Penelope reared a family of four boys and two girls: Ephraim, William, Lisander, and John, Mary Ann, and Susane.

Some years later George Palmer, a millwright by trade, built what was known as the Red Mills (water mill with a large wheel) to grind corn and wheat for the many settlers that came afterward. This mill was situated about three miles down the creek from the Palmer home.

George Palmer was a veteran of the War of 1812."

This is but a very brief history of the old race of the Palmer family, and the information obtained from the older members. This statement must be nearly correct.

John Palmer being the father of William, was my great grandfather. I pay this tribute also to my dear mother Mrs. Mildred Palmer West. Submitted by — Shirley Marling

THE PARKS FAMILY

Gertrude Leota Dowler was born August 21, 1892, to Jasper Newton and Clara Belle Griffith Dowler on a farm near Pleasant Valley.

Gertrude and Carl Parks

Carl and Gertrude were married September 26, 1923 and moved to 1408 Third Street, Moundsville. Carl went to work at the Leadclad Wireworks in Glen Dale as a weaver on machines making barbed wire, and poultry and lawn fence. He was employed by the Mercantile Bank from 1934 until 1955. He often transferred large sums of money between banks by riding the streetcar or bus, carrying the money in a paper bag. In 1936, when waters of the great flood were rising, he had to go to Wheeling to bring back around \$70,000. He caught the last street car coming south but it had to stop at Boggs Run underpass due to high water. Carl walked the railroad tracks to Benwood where he was able to catch the street car and return to Moundsville with his valuable package. Since the bank was closed when he arrived, he guarded it at home until the next morning.

Carl and Gertrude were faithful members of the First Christian Church. In 1945 they moved to 1102 Seventh Street. In 1954 they moved to a small farm near St. Clairsville, Ohio, returning in 1969 to spend their last years at 119 Ash Ave.

They had two children, Kathleen and Russell Dale.

Their daughter Kathleen married Charles Harold Trimby of Freeport, Ohio in Sept., 1948. Today they live in Steubenville where she is Director of Services for Senior Citizens and he is owner of Charlie's Barber Shop. They have two children; Gary, who lives with his wife Debbie and son Nicholas in Cape Coral, Fla., and Sharon, who lives in Houston, Texas.

Dale has lived all his life in Moundsville except for ten years during which he attended college, served in the army, and was band director at Man High School. He returned to Marshall County in 1959 and was band director at Moundsville High School for ten years, John Marshall for two years, and is now at Union Jr. High School. While attending Marshall College he met Belma Jean Mayo of Huntington and they were married August 22, 1953. She teaches second grade at Sanford Elementary.

They are the parents of four children. Richard Ray married Ludean Grubbs of St. Albans, July 1979 and they live at Culloden, WV. Both are graduates of Marshall University. He is an adjutor for Crawford Co. and she is a teacher in Kanawha County.

Shirley,

First, I want to thank you for all the information you've sent me. The first time I wrote you I also wrote to Naomi Love - 1310 6th St. Moundsville, W.V. 26041. With what Naomi sent me and your information I'm beginning to get a clear picture of my "Allens". It's like a puzzle I'm putting together and it's nearing completion. I'm going to include some copies for you that Naomi sent me - just in case they can help you.

My Samuel Allen was born in Ireland in 1783 (about 18 yrs. after your John). He was naturalized in Ohio Co in 1814 (about 16 years after your John). They could be brothers but are more than likely not since they're nearly a generation apart in age. Notice the similar names of Samuel's children - John, William.

On the Virginia 1820 Census Index Sheet you sent me (where you marked two John Allens, two Richard Allens & one Samuel Allen all in Ohio Co, page 012) I noticed at the bottom of that page there is a Thomas Allen, Ohio Co. pg 012. Have you verified where your John Allen was living in 1820. I'll send you back a copy.

About once a month I go down to the Genealogical Library at the Mormon Temple in L.S. I would be happy to look things up for you. They have lots of microfilm, microfiche & a wonderful computer. Just send me a list!

You sent me a 1840 Federal Census Sheet that I think is ~~the~~ full of the sons of my Samuel Allen. I didn't know Samuel's children

names (except for my Margaret) but Naomi sent me that info. You've showed me where they lived. The two of you work well together. Do you correspond?

I suspect that Samuel and Elenor were buried at Boggs Run Cemetery - which was moved due to highway construction. Where were your "Allens" buried?

You said you had some "Coen" lineage. This is what I have: Issac^{B: 1785} Coen x Mary Beth Keith were parents of James B: 1830. James Coen m: Mary Glover & were parents of Tabitha B: 1853. My mother-in-law has the name of one of Tabitha's sisters. I will get that from her when I see her on Thanksgiving. That's all I know. Can you fill in some blanks?

You wrote of being confused on there being two "Margarets" in Samuel Allens household. I understand that my Margaret married Joshua Allman. She was 10 years older than Joshua. After she died, Joshua remarried a widow named Mary Ann Hall. The "Margaret" that married John Christal would appear to be a different Margaret. Maybe a granddaughter or niece who was raised by Samuel.

Again, thank you for all your help. Write soon.

Sincerely,

Jill

Dear Jill,

Before I get too involved with Christmas I thought I would get some Coen data mailed out to you. I knew your Tabitha Coen rang a bell and sure enough one of her sons married into my Goddard line, also her brother's daughter married into the Goddards, so I'll enclose what I have on those families.

I will also enclose census records, etc. that I have found on the Coen's. I also found a RW paper that some one had sent me pertaining to James Coen's service. Some seem to think he was the f/o Isaac, f/o William who married my Rebecca.

In going through these census records I found James b.1832 living with Isaac and Susanna in the 1850 Census. In 1860 James b. 1822 is married and living with Mary A. and 3 children. In 1870 James is listed as being born in 1832 and Susanna is living with him and his family. The age of this James, which shows Tabathia in the household, is the same age as James of the 1850 census. If he was born in 1832 he may be a grandson of Isaac and Susanna, parents being Isaac and Mary Beth (Keith). I will enclose all the Coen census records in Wetzel County. I do not have all the 1910 Census, however, just Proctor, Green and Magnolia.

James and Mary are not listed in the 1880 Census. Perhaps they were in Noble Co. OH. I found some marriage records there that I think belong to Peter & Elizabeth's daughters. I have also found Coen's in Morgan, Belmont and Monroe Counties of Ohio. A search of those counties may turn up more information. In the TCR someone had sent in a query stating that James who married Mary Glover was also married to Sarah Jane Kiger. In the 1900 Wetzel census this James was born in 1857 - census shows him married to a Sarah J. It may be a different James who married Sarah J. Kiger.

The only two children I'm sure of for Isaac and Susanna are my William - he gave them as parents on his marriage to my Rebecca - and Elizabeth who married Perry Hartley. Her death record gives her parents. I have never checked the earlier census records for Isaac. This might reveal the number of children.

I have corresponded with two girls on this Coen line. They are Verna Riggs, R.1 Box 116, Clarksburg, WV 26301 and Della Yocum, 2120 No. Waldron, Ft. Smith, Ark. 72904. They may be able to help you.

No, I have never written to Naomi Lowe but I probably will. I do have a question about that early Thomas and she may have information I don't pertaining to the Allens. I believe she is in William Allen's line. William was a brother to my John. Thank You for sending her address. I did not have it.

Our old John Allen who came over from Ireland is buried in the Buchanon-Kelly Cemetery on the Graysville Road in Marshall Co. WV. This little old cemetery was found in 1983 while a farmer was clearing land for pasture. There was evidence of many unmarked graves but we were fortunate that John's was still there. The farmer was turning his cows into this area for pasture, so I imagine the stones are all knocked down by now. We visited our there in 1985. I'm so glad we went when we did.

We have a copy of a deed from Ohio County which shows John Allen bought land from James & Elizabeth Jeffs for \$1.00. This was in 1819 but we have never proven that this belonged to our John. The Jeffs must have been related in some way to have sold the land for \$1.00.

Jill, I just found something that I think proves that our Allens are connected. I was looking for the 1820 Ohio Co. Census - the readout of ages - which I didn't find and saw John's estate papers, so took them out to read. Joshua and Margaret Allman took care of John and were paid from his estate. This makes me think Samuel and Richard were related. They all appear on the same page of the census, now here's Samuel's daughter taking care of old John. This sure bears more investigation. Do you have naturalization papers of Samuel that would give any clues? The Kelly's were also from Ireland and I think they are connected to my Allens.

Well, I must close for this time. The holidays may hamper my research but I'll continue to work on this when time permits.

Happy Holidays to you and yours!

Shirley

Dear Shirley

Thanks again for all your help. I truly appreciate it. No, I did not have copies of John & Wm. Allen naturalization papers. They were brothers.

Yes, I did go to W. Va Sept 28th and returned Oct. 15th. I did not get as much research done as I would have liked to. Time was too short.

I did find on one record Margaret Allen to be the daughter of old John & Rebecca.

I found two death records of a Margaret allman one 47ch 1866. I did not get to the bottom of this. However I do know Margaret died between 1860 & 1871

Now for the Coens

My grandmother, Tabitha Coen Palmer

I believe her Uncle was William Coen who married widow Rebecca Goddard Allen.

I have not worked up my Coen line to date. My half-brother Kenneth E. Palmer gave me all his materials in 1980 before his death.

I can tell you this, we are in the same ball park on relatives. And I believe working together we can accomplish much.

The Coen Hartley you spoke of first married my Aunt Harriet B. Palmer. Daughter of Geo A. & Tabitha Coen Palmer. The ^{Palmer} parents are buried Kirkland Cem. Wileyville WVA. (Wetzel Co). Prob. Harriet also.

As for Buchanan - Kelley being linked together, Allman is also involved. Wm Allman the twin (living) of Margaret & Joshua ^{Allen} Allman can be found working for John Kelley on several records.

Lady I'm just jumping all around in this letter. But, I've been going around on one ear since my return Oct 15.11.

My husband has been in and out of hospitals since Oct 22nd. Had surgery Dec. 18th. He is home and doing well at this point.

So, my mind hasn't been on family history. I do plan (I hope) to dig in at the Library again early 1991. Probably Jan. late.

Dear Shirley,

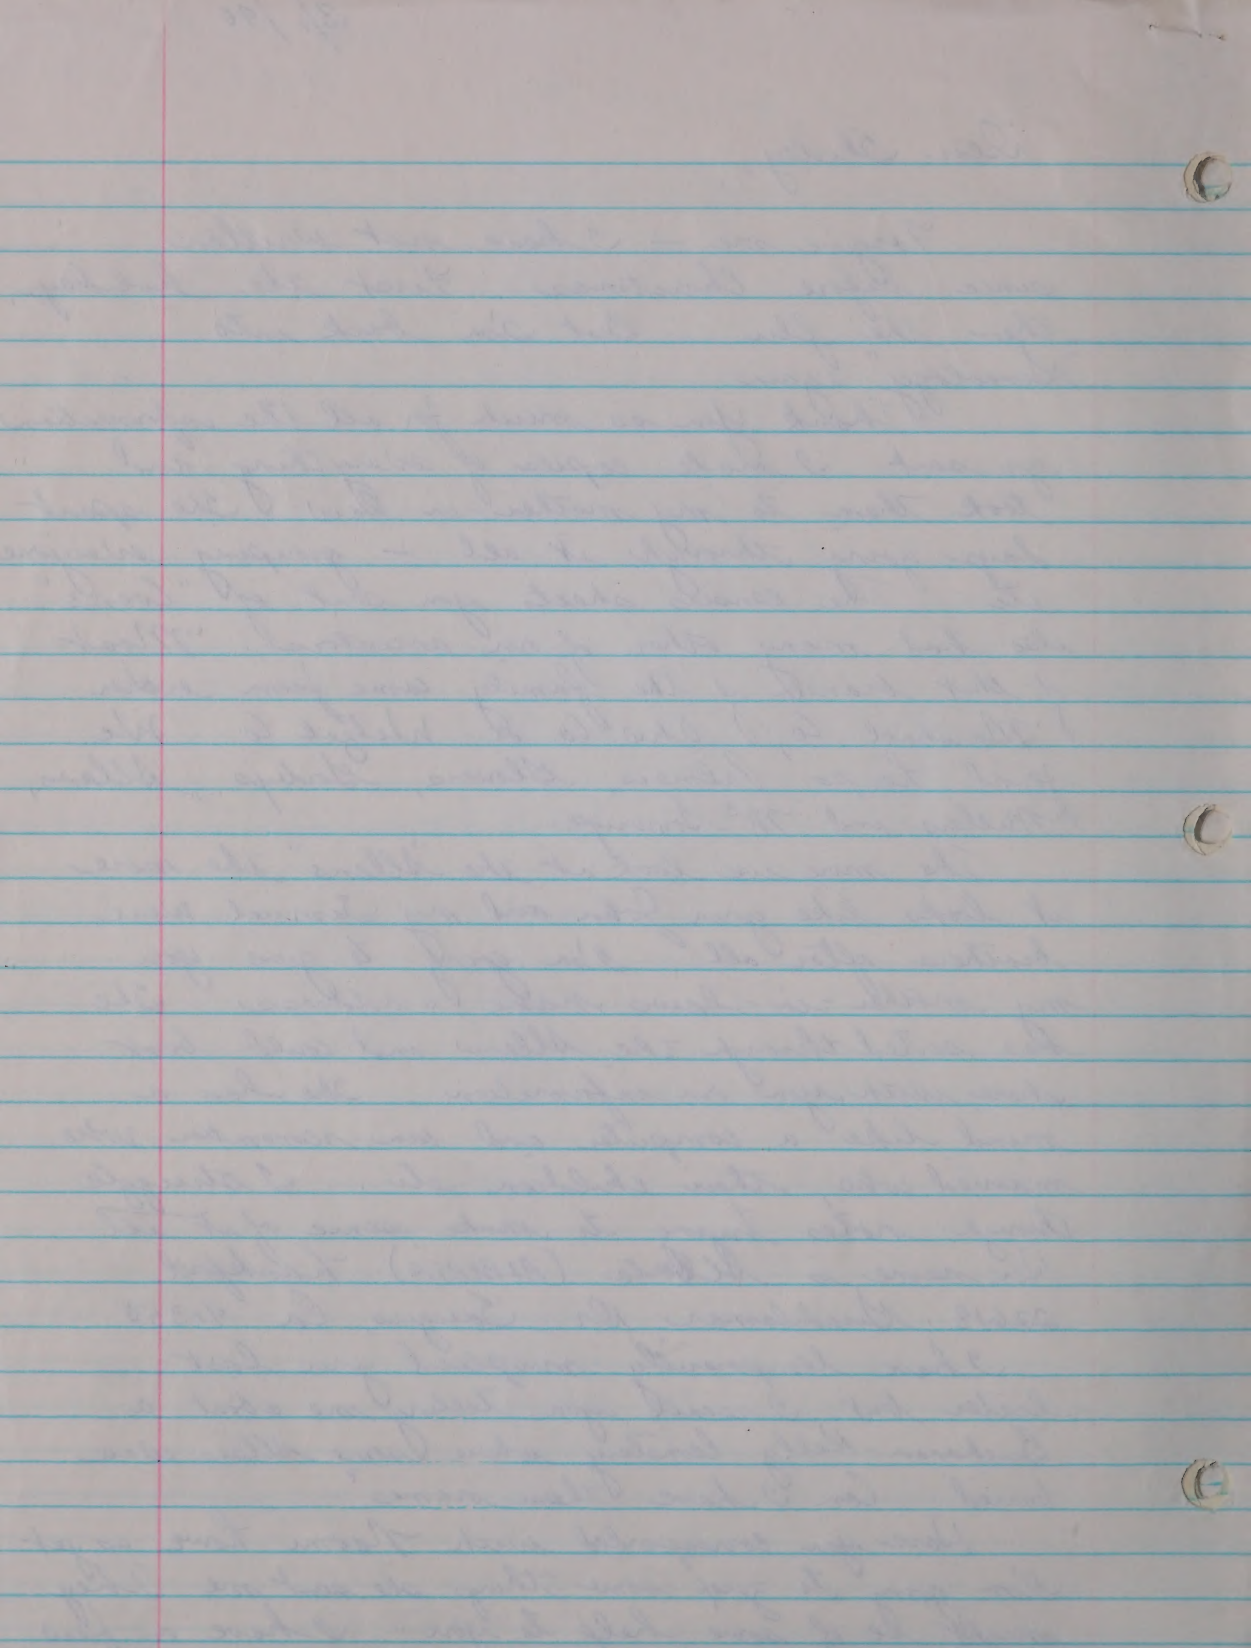

Forgive me - I have not written since before Christmas. First the holidays, then the flu. But I'm back into "Genealogy" again.

Thank you so much for all the information you sent. I made copies of everything and took them to my mother-in-law. She spent days going through it all - grouping everyone etc. The census sheets you sent of "Coen's" also had many other of our ancestors. Most of that branch of the family came from either Marshall Co or Ohio Co or Wetzel Co. We found heaps of Palmers, Glovers, Gorbys, Allens, Mullers and McSoneups.

The more we look at the "Allens" the more it looks like your John and my Samuel were brothers after all. I'm going to give you my mother-in-law's name & address. She has sorted through the Allens and could best share with you our information. She has a mind like a computer and can remember who married who, their children etc. I struggle through notes trying to make sense of it all. Her name is Alberta (ALBERTA) Hankford 22618 Guadilamar Dr. Saugus, Ca. 91350

I have temporarily misplaced your last letter but I recall you telling me about a Buchanan-Kelly Cemetery where some Allens were buried. Can I have those names?

Have you corresponded with Naomi Lowe as yet? I'm going to zip some things she sent me. They might be of some help to you - I have a few

items here that I didn't mark down who
sent them to me - either you or Naomi. So
forgive me if I am sending you back some of
the same data you sent me. I'm usually
better organized.

Keep in touch - and again Thank You
for all your help.

Joe

Dear Shirley,

Just a few lines before I go east on vacation.
Will do family research at Moundsville, Wheeling
And New Martinsville Court Houses And return
home Oct 15.

In answer to your last letter on "Goddard".
I only have Eva M. who married my Great Uncle
Benjamin Harrison Allman (Uncle Harry) And her
sister Brashea who married my uncle on my
fathers side James F. Palmer. I have not gone
farther than their parents.

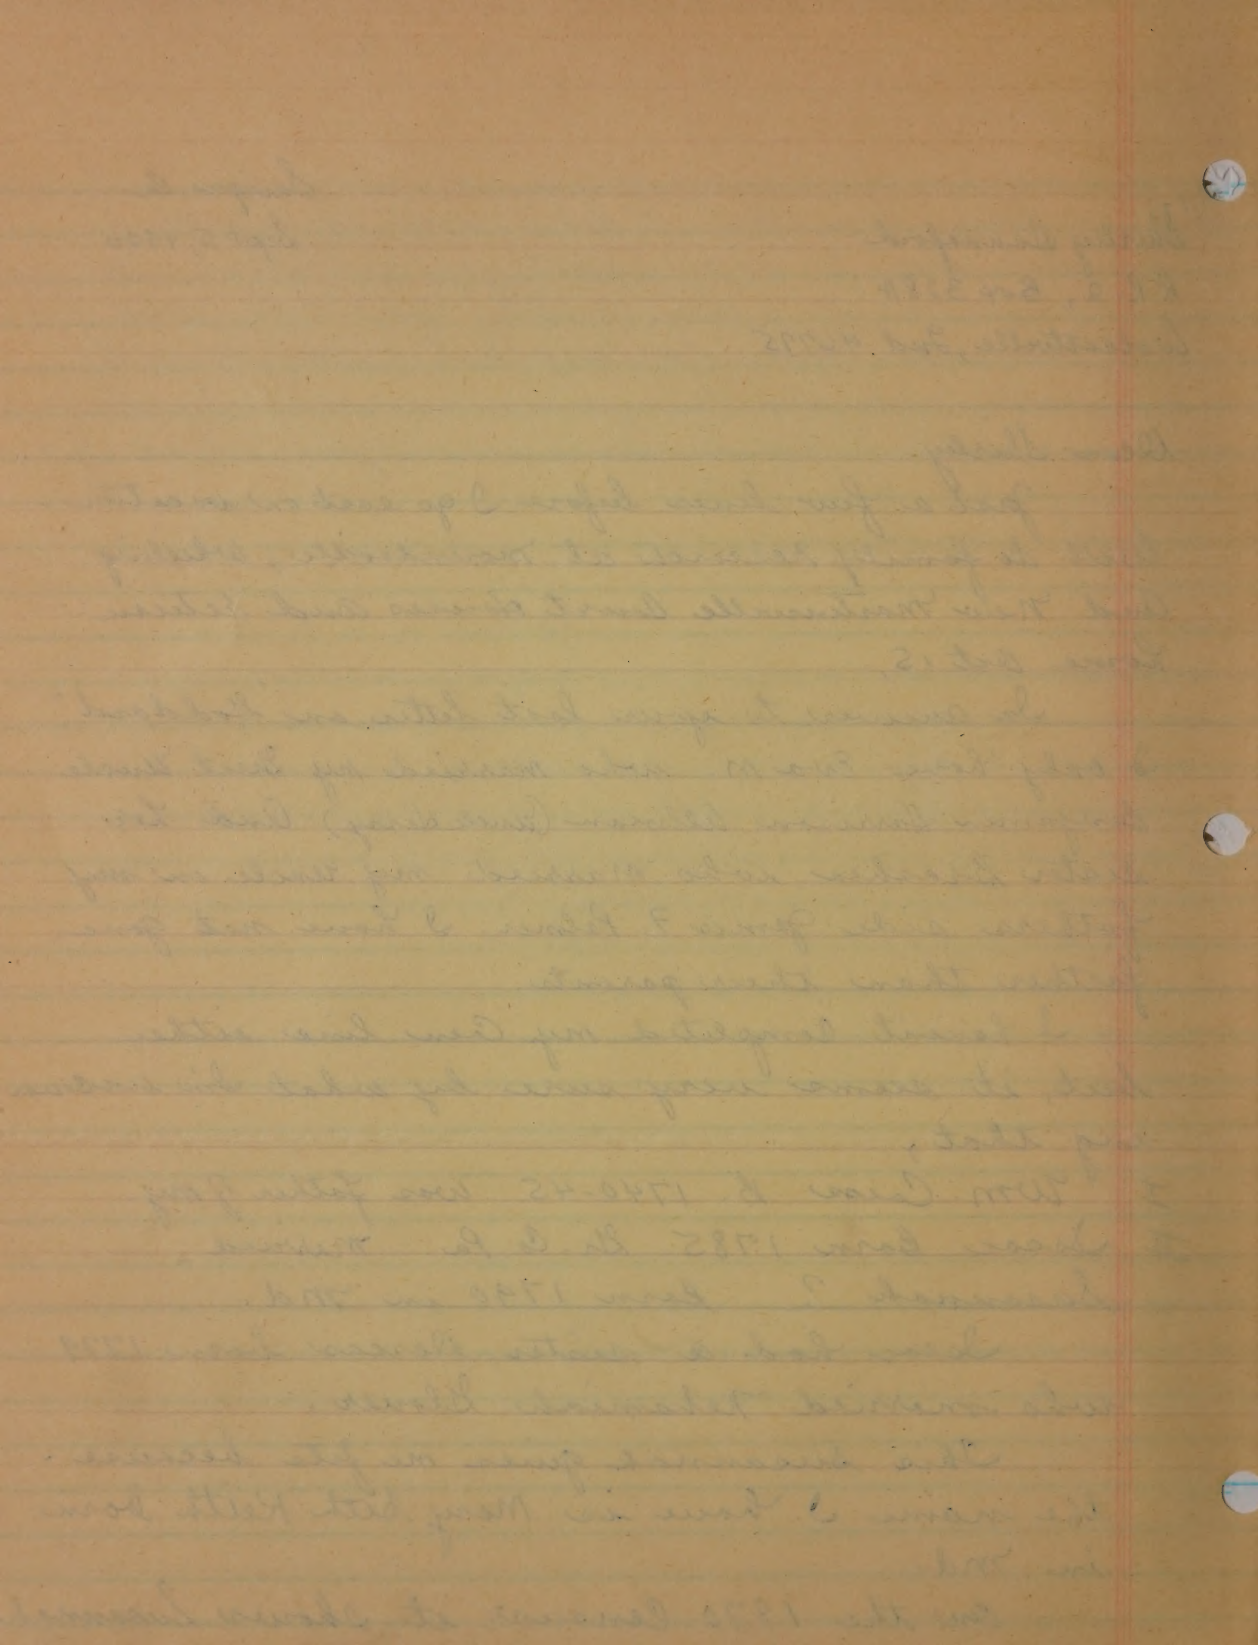

I haven't completed my Coen line either
but, it seems very sure by what I'm uncover-
ing that,

- I Wm. Coen B. 1740-45 was father of my.
- II Issac Born 1785 Gr. Co. Pa. married
Susannah ? Born 1790 in Md.

Issac had a sister Dorcas born 1779
who married Nehemiah Glover.

This Susannah gives me fits because
the name I have is Mary Beth Keith born
in Md.

On the 1870 Census it shows Susannah

living with my James Coen and Mary Glover.
Her age is 83. (Born in both Md + Pa) "census" info.

At any rate Children of Issac + Susannah
Show to be,

III
maybe
John
also

Peter	born ^{Pa}	1806-7	married Elizabeth Furbie
Wm.	born ^{Pa}	1809-10	" 4th Rebecca Allen ^(Grand)
James	born ^{Oh}	1822	" Mary A. Glover. 2nd Sarah J. Kiger

James + Mary were parents of my Grandmother
Tabitha Coen Palmer.

Now for the Allen Clan.

As you know I did lots of research on
Samuel + Elenor Allen as parents of my
(Margaret B.^{vr} 1809-10-11 ~~Md~~ Joshua Allman)
(Dec 13, 1840 (I find 3 birth yrs on various census))

Samuel and two others show, Applied
for naturalization at Phila. Pa. Got some
in Ohio Co. Va 1814 Vol 5-14 pg 361 Wheeling.

Samuels daughter married a John Cristol
"documented". This is not my Margant of course.

So, the only other Allen with a daughter
old enough for my Margaret is John +
Rebecca Allen.

I accept this as my line until I
can prove otherwise for the various
documented reasons,

Census records of Ohio Co Va shows

an unnamed daughter of the correct age, 1810-1830 with John.

In 1840 old John ^{age 80-90} a widower, is shown in Marshall Co. with a female this age in his house hold. (again unnamed)

Since the census were usually taken between Apr and Aug. My Margaret would still have been at home, marrying in December.

Old John Allen died Jan 1841.

Estate records show Margaret was paid \$50. for nursing John and Joshua Allman her husband was paid \$17. and some odd cents for feeding John.

The first children of Margaret and Joshua, a set of twin boys born 1841 were named John^A & William. (John A. died fish creek age 15)

I believe these children were named for Margaret's father John & his brother who come to America with him (William) I also believe they had a brother Richard.

Now, you said you have some records of Census, Marriages, deaths Etc. Do you show a death for Margaret Allman in Marshall or Wetzel Co. Probably between 1860 & 1870.? She is on 1860 Census And Joshua Allman remarried in Wetzel Co to Mary Ann Hall Jan 7, 1871. I haven't found where Margaret is buried or ~~where~~ when she died. Hope to uncover this

soon.

Well, thanks again for all your help. I
need lots.

Sincerely
Alberta O. Lankford

P.S. My father Jesse E Palmer first married Edna Wilson.
Hope you can read this, I'm really scribbling today.

Dear Gail,

Richard is the exec of Samuel Alton and a copy of the deed when his estate was settled. I also find a group family sheet with what I could find on the family. I also copied the 1850-1860-1870 and 1880 census.

One big question - A Margaret was still single when Samuel's estate was settled. Then who was she? Margaret married the John Christall ¹⁸⁵³ ¹⁸⁸⁹ I couldn't find them in the census for Marshall County.

A note in the Alton folder stated that Samuel had applied for citizenship at Chester Co. Pa. but when records there, naturalization at Wheeling. Should you wish a copy, write to the Virginia & Regional History Collection at the University Library, Colson Hall Moundsville, WV 26046 (I don't know change) vii 10-14 p 311

The land grant purchased from Samuel was 30A in Union District 3 Sept 1816. Widow Mrs. Brother Richard Alton. Later sold to John Hester. Hester Richard Alton. I checked the Marshall County Court House records. They appear to be the family record some were not recorded. I suspect that Samuel and his wife are buried at Burgess Run Cemetery which was where the stone is. I suspect that the records were destroyed by fire.

Attached is the receipt for copying the records. I paid for them personally, so could appreciate the records. I paid for them and postage. They are not in the records. I have not had any more records for the Marshall County Society contribution.

Dear Jie, Dr

I was glad to hear from you. I hope we can help each other.

First the Allen line, which is on my husband's side. He is descended from John and Rebecca Allen. Their son Wm 1800-1875 had a son Wm Brown Allen who had a son Samuel Curtis b 1866 which is not the Samuel you are searching.

In our genealogy files for the Marshall County Historical Society which is a folder for Samuel and Ellen Cleave Allen. They had sons Samuel, David, John, Richard and Robert. Daughters were Ellen, Eliza Dorsey and Margaret. These names were in the will of Samuel. Bk 14 pages 116-120 dated 28 June 1853 proven Nov. term, 1865. There is another legal document of 1883 in Book # 27 page 434 ^{which} says that Allen had moved West & not heard from. This was in a sale of the estate by son Richard. As this the family are search. If so and you wish the genealogy committee to pursue this we do ask for a \$10. donation per our name - when it is not our direct line.

My Uetzi collection becomes thicker and more involved. My Uetzi lease is!

Dear Jill,

It was so good to hear from another Allen researcher, especially the West Virginia Allens. I have the marriage record for your Margaret to Joshua Allman but do not know if she belongs in our line.

My Allen line goes back to my 3rd great grandfather John Allen who was born in County Cork, Ireland, according to family legend. He was born c1765 or before and came to America with a brother William sometime before 1798. John and William were naturalized in Philadelphia the 16th of February 1798 and in March John bought land in the Southwark District of Philadelphia where he was a Drayman.

During a Yellow Fever Epidemic John left Philadelphia and settled in Ohio County VA where he is shown on census records with a wife and four children. Those children were William, John, Jane and Rebecca. William does not show on the Ohio County census so it is not known what became of him. Since your Samuel was born in Ireland also, it is very possible that he could be related in some way. He could have been a son of our William.

The name Samuel also appears in the family of John Allen, the Irish Quaker, who settled in Washington Co. PA but after going through some of that material I see where this family was already in Virginia by 1718.

In going through the census records again I found where Samuel and Richard lived close to my John Allen in almost every census. This makes me think there must have been a connection. I would love to have more information on your Allens. Did they stay in West Virginia or did they go to another area?

When my John Allen died in 1841 in Marshall Co. WV a Francis Kelley was the administrator of his estate. The Kelleys were from Ireland, too. I can't help but think they were related in some way. My John is buried in the Buchanan-Kelley Cemetery in Marshall County.

I'll send this much to you now. If you see anything that connects, I would be more than happy to exchange information with you and share any information I have. I have bought most of the books that have been printed from Wetzel and Marshall County. If you need any information from any of them, let me know. I'll be happy to copy it for you.

Hoping to hear from you soon.

Sincerely,

Shirley

Dear Shirley,

I received your letter and pages of information. It looks like there is some connection in our Allen lines but I'm not sure where. I have so little information, but will send a Pedigree chart for you to look at. You mentioned having the marriage record of Margaret Allen to Joshua Allman - may I have a copy?

I see the zeros of "Allen" genealogies was out of the "History of Wetzel Co." book. Would you recommend that I purchase this book. My husband has "Wetzel" lineage also. His immigrant "Wetzel's" were Captain John Wetzel & Mary Bonnett. Are there stories on them in the "Wetzel Co. Book"?

I'm going to check with my mother-in-law and see if she has any more "Allen" information & will let you know. Write soon.

Sincerely,

Jill

Dear Shirley,

I got your address from the
Tri-County Researcher. I see
we are both working the "Allen"
line. I've gotten back to Samuel
Allen B: 1789 & Ellen B 1786, Ireland.
Their daughter Margaret (Peggy)
Allen was born in ^{early 1800's} ~~1800's~~ in Va.
Margaret married Joshua Allman
on Dec 13, 1840. If this ties in
with your "Allens" let me know -
I have more to share.

could only be one reason for such an offer. I'm betting I couldn't pry it out of your hands if I tried.

- . Free car repairs after warranty expires. This has got to be the best kept secret in the automobile business. See page 353.
- . How to rent a safe deposit box the IRS won't find out about. (This only sounds illegal. Page 101.)
- . Applicant for credit should list all loans paid off, right? Wrong. What to leave out. Page 15.
- . How to get around the 80% limit on tax deduction for business lunch. Page 81.
- . How to win radio call-in contests by not doing what announcer says. Page 317.
- . Vaccines that didn't work. Do you only think you're protected? See page 417.
- . What the Dow Jones averages don't tell you. Figures the experts watch instead. Page 33.
- . Government securities alert. Watch out for what the U.S. Treasury guarantee does not cover. Page 40.
- . Check you've been waiting for arrives unsigned. Send it back for signature, right? Wrong! Deposit it fast. It's what you write on it that counts. Page 10.
- . They can tax your Social Security benefits -- but only if you let them. How to get around the tough IRS rules no matter how big your retirement income is. Page 128.
- . Soft drinks that steal nutrition from food you wash down with them. Page 441.
- . What's in your cosmetics. Propylene glycol? Triethanolamine stearate? Before you put them on your skin, see page 413.
- . Why security experts don't put those burglar-alarm warning stickers on their car windows. Page 357.
- . How nursing home patient can qualify for Medicaid and still keep assets in own name. Page 431.
- . Tap water alert. Two common stains on sink are signs of pollution. Page 284.
- . You can open a Swiss bank account by mail, and legally answer "no" when the IRS asks if you've got one. Page 102.
- . How to get around the residency requirements for lowest tuition at state universities. Page 482.
- . How to travel free on luxury cruise ships. Lots of passengers you meet on board are doing it but never tell you. Page 367.
- . How to stop a hospital from discharging Medicare patient who is not ready to go

11 MICHAEL ATTERBURY, b ca 1744 Maryland, d ca 1820-30 Grayson Co KY
 Michael appeared on List of Tithables in Loudoun Co VA as early as
 1760, indicating that he was at least 16 years of age at that time.
 Michael had land grants in South Carolina in 1785 & 1786.
 1790 Census lists Michael in the Orangessburg District of South
 Carolina with a wife and 10 children (5 males, 2 over 16, and
 5 females). He was not located on the 1800 Census, but is found
 on the 1810 Census in Grayson County KY with 2 young children.
 No will or estate probaton was located.
 The hypothetical list of children shown below is based on census
 records and conjecture.

THEOPOLIUS KRAMER HARTER

We would like more information on this man and his family if anyone knows his dates and parents.

Mr. Harter lived in the vicinity of Lone Tree, Tyler County and was married to Elizabeth LeMasters. They had at least four children: John and James, twins; Sarah and Harriet (who died from burns while very young.) It is said they are buried in the Lone Tree Cemetery but no markers have been found for them.

Mr. Harter ran for President of the United States on the Third Party Ticket in 1904 and beat his opponent Eugene Debs but when the final count was in Mr. Theodore Roosevelt won the election.

.....

Maybe some of the mystery of where to find early marriages for this part of the country has been settled. It seems many couples went into West Alexander, Pa. because they didn't have to have a license. They also went to Oakland, MD. for the same reason. This issue we will begin a list of couples who were married in W.A. by Rev. Job Russell 1845-1884. His list was by date but for convenience I have put them alphabetical, to some extent!!! All are of Marshall County.

All the others don't have addresses so I assume they lived in Pennsylvania. But if you would like us to print all of them, just incase, let us know. Many have ask if they could buy copies of these marriages. Since they were given to us for use in the T.C.R. we don't feel that we should sell copies of them. If you would like us to check the list for your surnames, we will do that for a return stamp. Be sure to tell us which marriage records you are referring to as we have several and wont know which you are wanting unless you tell us.

THEOPOLIUS KRAMER HARTER

We would like more information on this man and his family if anyone knows his dates and parents.

Mr. Harter lived in the vicinity of Lone Tree, Tyler County and was married to Elizabeth LeMasters. They had at least four children: John and James, twins; Sarah and Harriet (who died from burns while very young.) It is said they are buried in the Lone Tree Cemetery but no markers have been found for them.

Mr. Harter ran for President of the United States on the Third Party Ticket in 1904 and beat his opponent Eugene Debs but when the final count was in Mr. Theodore Roosevelt won the election.

.....

Maybe some of the mystery of where to find early marriages for this part of the country has been settled. It seems many couples went into West Alexander, Pa. because they didn't have to have a license. They also went to Oakland, MD. for the same reason. This issue we will begin a list of couples who were married in W.A. by Rev. Job Russell 1845-1884. His list was by date but for convenience I have put them alphabetical, to some extent!!! All are of Marshall County.
